VOLUME XX—NO. 123 CHARLEROI, WASHINGTON COUNTY, PENNSYLVANIA, TUESDAY, OCTOBER 28, 1919. TWO CENTS

SPECIAL MEN PATROL LAKE ERIE AFTER ATTEMPT TO WRECK TRAIN

Rail Was Found on Tracks in Monessen on Friday

WILL ENFORCE TRESPASS LAW

Following an attempt to wreck a passenger train on the Pittsburg & Lake Erie railroad in Monessen last Friday, officials of that road have enlisted a large number of special men who are now every hour of the day and night patrolling the line between Brownsville and Pittsburg

The rail which was intended to wreck the train was placed across the tracks in the borough of Monessen near the mills, but the train which it was intended to ditch was saved from disaster when the engine pushed the obstruction from the track. However, the intent was so apparent to the officials of the road that immediate steps were taken to protect property, trains and lives, and additional men were at once secured for patrol purposes. The law against trespass will from this time on be strictly enforced and persons seen on the tracks will have to give a good accounting of themselves or stand trial before some justice of the peace.

The Pennsylvania Railroad is said to have taken the same action on this side of the river, and additional men are now patrolling the lines in certain districts in order to prevent any trouble to any of the trains on the Division.

The Lake Erie officials have no clue as to who placed the rail over their tracks, but an investigation is now under way, and if the offender is found there will be quick action to bring about his arrest and conviction.

FILE ANSWER TO CITATION ON WILL

An answer has been filed to the petition issued for a citation in the estate of Mary Day, deceased, in which it is charged that the decedent was not of sound mind when she made her will and that undue influence had been exercised over her by Alfred Eugene Day, executor of the will, and Cora Jane Day. Mary Day died in Pittsburg while temporarily residing there. The will in question was written March 1, 1919, and Mary Rose Wallace and Sarah Cowan filed a petition charging that the decedent was not of sound mind. They were named as beneficiaries in a former will, which they aver was her last one. This is denied in the answer.

Raymond Yenny was operated on at the Charleroi-Monessen hospital this morning for appendicitis, the operation being a very successful one.

DEMOCRATS NAME NEW COUNTY CANDIDATE

John A. Gault, Jr., of Courtney, nominated at the Democratic primaries for register of wills, has withdrawn from the ticket. The Democratic executive committee has named c. H. (Bert) McCollum of Washington, to fill the vacancy.

LEGALLY DEAD; COMES TO LIFE

Soldier Not Heard From for Years in Hospital at Washington

ABSENT FOR OVER SEVEN YEARS

Declared legally dead through court action in this county, George Bender, the supposed decedent, has been located. At present he is in the Walter Reed hospital, Washington City, an institution for wounded soldiers. It developed that he had seen service in the United States army in France and had been invalided home.

On June 25, 1917, Frances Bender, a sister, presented a petition to the Washington county court stating that both George and Michael Bender, Jr., had been absent from home for more than seven years, and during that time nothing had been heard from them. Their father had died after they had left home, and they had an interest in his estate. It is believed that both were dead, and so the court declared them legally dead and appointed M. T. Crowley as administrator of their estates. However, this action was not taken by the court until every effort possible had been made to locate the missing men, if still alive.

Subsequently it was learned that George Bender was alive. This information came to Mr. Crowley through a telegram which was addressed to Martin Bender, a brother of George, and who had died some years previous. Mr. Crowley was advised of the telegram, and it was delivered to him. It was from George Bender, then at Camp Dix, where he was at that time, just back from overseas. This necessitated a change in action and steps were at once taken to revoke the letters of administration which had been granted to Mr. Crowley on his estate. However, Mr. Bender joined with his sister in asking that the estate in which he was interested be disposed of. It is not known where Michael is, if he is living, and his estate will be administered by Mr. Crowley.

A brother, Stephen Bender, was killed on the Lake Erie tracks below Fayette City, May 1, 1904, and the body laid in the Crowley & Correll morgue at Fayette City for at least a month before it was claimed. A few years later the mother was burned at her home on Meadow avenue and died later in the Memorial hospital. Two years later the father was injured in the Henderson mine in North Charleroi and died in the McKeesport hospital, and some time later a brother, Martin, died at Mt. Alto.

George Bender is seriously ill, but his nurse writes that he has a good chance of getting well, if he recovers from his last operation.

Organize Post of Veterans of Foreign Wars at Lock Four

The first regular meeting of "Raymond E. Craft" Post, Veterans of Foreign Wars of the United States, was held in the Borough building of North Charleroi, Monday evening, October 27. The meeting was called to order at 7:30 p. m., by District Deputy Arnold J. Walthers, of Lock Four, a member of McKinly Post No. 4, of Pittsburg, and introduced Robert G. Woodside, Chief of Staff of V. F. W., who presided and who instituted the Post. The attendance was up to expectations with splendid prospects of a strong organization. The V. F. W. was recently resumed activities and contemplates a thorough organizing of the men who served in the A. E. F. and all other foreign veterans. Capt. Woodside gave a very interesting as well as an instructive talk on the basic principles of the organization, and after the institution and organization of the Post installed the following officers who had been elected to serve for the ensuing year:

Post Commander—B. F. Burke.
Vice Commander—Russell W. Geho.
Junior Vice Commander—John Feehan.
Adjutant—Earl W. Geho.
Chaplain—J. H. DeRusha.
Quartermaster—Harold E. Metz.
Officer of the Day—Ferdinand A. Bertomille.
Guard—Abel Chevalier.
Surgeon—A. S. Sickman.
Sentinel—Harry Chevalier.

This new Post is the result of a nation-wide drive to enroll all members of the A. E. F. Any soldier, sailor or marine who has seen service in foreign lands and holds an honorable discharge certificate is eligible for membership in this organization.

For a new Post the "Craft" is showing an unusual amount of collective and individual activity and expects to be the leading Post in the district covered by Comrade Walthers, which comprises the territory between Brownsville and Monongahela City inclusive. The Trustees elected were Homer C. Burke, John Landerbaugh and Fred Anlerson.

The charter is being held open for an indefinite period and a large charter membership is anticipated. The next meeting of the Post will be held Monday evening, November 3rd.

Majestic Coming "OH BOY" something new Oh Boy—Oh Joy. 119-tf

WAR HISTORY COMMITTEE IS NAMED

The Pennsylvania War History Commission has named A. M. Linn, Col. James E. Barnett and Carl D. Schultz, all of Washington, as members of the Washington County War History committee, to co-operate with the state commission in the collection of the records of Pennsylvania's part in the world war.

These committees are actively completing the honor rolls of their respective counties, and gathering data relative to the conditions and activities of the county during the war. The committees are having their records made in duplicate, one of which is placed on file in the county, either in the court house, or historical society, or other suitable place; the other copy is deposited in the archives of the state commission, where it forms a part of the permanent memorial archives of the state.

WOULD AUTHORIZE USE OF SOLDIERS

Authorization for the President to use troops in operating coal mines or railroads in the event of a strike would be given under a bill introduced on Monday in the Senate by Senator Thomas, (Democrat) of Colorado. The measure was referred to the military affairs committee without debate. Under the bill's provision federal troops could be used "to perform work or labor essential to the continued operation of the facilities or instrumentalities of interstate or foreign commerce which has been abandoned or substantially obstructed, prevented, or interfered with as the result of a strike, lockout or other labor difficulties.

Masquerade Social.

The Star class of the First Christian church will hold a masquerade social in the basement room of the church, Thursday evening, October 30. Admission 25 cents to those masked and 35 cents to those who are not. A good time is promised and a cordial invitation extended to the public to attend. 122-t3-*

Will Meet Tonight

The Frances Williard Class of the M. E. church will hold their monthly meeting tonight at the home of Miss Price G. Frye on Fifth street. The meeting will be in the form of a Hallowe'en party and the members are expected to be masked.

THE IMPENDING COAL STRIKE CLAIMS PUBLIC ATTENTION

Many Believe That It Will Not Take Place on Date Fixed

SENTIMENT WILL BE A FACTOR

John L. Lewis, acting head of the United Mine Workers of America, prior to his departure from Springfield, Ill., for Indianapolis, Ind., declared on Monday that the strike order which had been issued to the mine workers in the Central competitive district still stands and that the men would lay down their tools Friday afternoon and walk out unless the operators made concessions.

The statement of President Wilson opposing the strike has thus far had no result so far as the miners' organization is concerned, declared Lewis, who said no word had reached him on Monday from the government concerning the proposed strike.

Leading Chicago business men believe the strke will be a failure. Due notice is taken of the statement of President Wilson that law and order will be maintained and that industry will be protected against any attack, but also it is seen that the personal attitudes of many high up in the Government circles has undergone a sharp change.

Individuals are mentioned who in the past have taken strong grounds in favor of the unions, but have now faced squarely about and declared that the claims are extravagant and absurd. These men do not deny the right of workers, whether they be union men or [illegible] proper application for increases in wages or other considerations, but they stand against the interference with our life from the crippling of industries which are essential to health, comfort, safety and the general well-being of the community.

The West, even with its immense bituminous coal interests, is little disturbed because the very magnitude of the present strike scheme is the thing that will probably defeat it. There is a fair supply of fuel on hand and in many connections petroleum can be used as a substitute. Indeed, this proposed strike is likely to increase greatly the demand for oil.

Public sentiment in the east appears to be strongly against the strike, and it appears to be the consensus of opinion that the aims sought by the leaders of the miners, who have taken this advanced step without a referendum vote, will fail. There may be a stoppage temporarily throughout the competitive field, but it appears to be a general feeling that this halt in the production of bituminous coal will not be for long. Just what the government purposes to do in the event of a strike has not been made public, but that some definite and fixed program has been decided upon is generally accepted.

Majestic coming "OH BOY—Oh Naughtee: Oh Naughtee; but arent they nice girls. 119-tf

BURGESS WAS VERY LENIENT

Discharged Those Accused of Assaulting Referee on Saturday

ALL WERE GIVEN A WARNING

As a result of the assault on the referee of the football game last Saturday a number of young men were called before Burgess Woodward on Monday evening to explain their activities in a pugilistic way, which resulted in so much infavorable comment. A charge of disorderly conduct had been made against the young men summoned, and all of them admitted having taken part in the disturbance. Burgess Woodward was inclined to be lenient, and after delivering a very sharp lecture to the accused, discharged them, with a warning however that if the offense should at any time be repeated, a fine would be imposed.

There were some present who believed the Burgess should not have been so lenient, and that penalties should have been imposed on the offenders. They contended that the assault on the referee was not only illegal in itself, but that the reputation of the town and the High school for fairness in sports had been badly clouded by the incident. It is promised that the game on Saturday next will be well policed, and that every precaution will be taken to prevent a recurrence of the unfortunate affair of last Saturday.

TRAFFIC WAS BLOCKED ON MONESSEN ROAD

The heavy rains of Sunday played havoc with the Webster-Monessen road and traffic was greatly impaired by the big slides of dirt near the coal tipple of the Monessen Coal and Coke company. Passengers of auto busses were compelled to transfer and walk almost a mile on the railroad tracks around the slides which completely blocked traffic for the time being. Workmen were at once put on the job in clearing the road.

Mrs. Thomas Rosbottom and daughter Mrs. J. T. Kelly and granddaughter Agnes Rosbottom, and Mrs. Sarah Rock left today for Los Angeles, Cal.

CONFERENCE ASSIGNS A. M. E. PASTORS

The Pittsburg Conference of the A. M. E. church which met at Washington, during the past week, announced the assignments of pastors for the coming year. Rev. J. U. Gumbs has been assigned to the pastorate of the A. M. E. church of Charleroi.

SOME TEAM

Washington and Jefferson, an institution of learning which some of the eastern critics are pleased to term "freshwater college," has a football team that compels the admiration of the entire college world today. During the past decade Washington and Jefferson has put out some fine football teams, which have upheld the red and black in most valiant fashion, but it is a question if a team of that institution has been comparable with the present machine which the college possesses

On Saturday W. & J. played Syracuse, one of the acknowledged contenders for the championship of the country in football circles. At the beginning of the game the Syracusans expected to see a walkover, or at least the home team was going to win by a very comfortable margin, and they prepared to enjoy the slaughter. The game would furnish the big Syracuse team excellent practice for other contests to come, and incidentally a great deal of pleasure to the spectators.

However, the W. & J. warriors refused to be martyrs and gave Syracuse the surprise of her life. The Washington county boys in a figurative sense just walked all over the big team from York state, and then to complete a perfect day scored two touchdowns in the last six minutes of play. It was some game—also some team, and it will bring the institution of learning it represents again prominently before the public. The championship of footbaldom may yet rest in Washington county for the year 1919.

PUBLIC MEETINGS

An ordinance regulating public meetings and requiring that they be held only after a written permit has been secured, signed by the Burgess is printed in our columns today.

There has been considerable comment on this ordinance, many stories having been circulated as to what it contained, and that it restricted public assemblies to a very narrow path. The ordinance is now before the people for their perusal, after which they will be able to formulate their own opinion and draw their own conclusions as to its provisions.

So far as public meetings now being held in Charleroi are concerned, there has been no objections to any of the union located here holding any and all meetings they wish to: that is their privilege as citizens of the community, but the greatest objections by local residents has been to the mass meetings which have been scheduled for this town, and which have called many hundreds of men from outside towns into our community. However, by the terms of the ordinance now a part of the law of the borough, the matter rests squarely with Burgess Woodward, and all meetings of this character must have his approval in the future, before they can be held within the corporate limits of the town.

LUTHERAN MEN WILL FORM BROTHERHOOD

A men's meeting was held in Christ Lutheran church last evening to consider the matter of organizing a brotherhood in the church. All present were enthusiastic for such an organization and it was unanimously decided to call another meeting for Friday, November 7th.

The purpose of this new organization is to bring the men together to get better acquainted; to cultivate fellowship and to be of mutual help and service. A committee was appointed to arrange for the next meeting. This will not be an exclusive organization, thus any man, no matter who he may be, who is interested in such an organization is bidden to come and will be made welcome. The men are enthusiastic and their influence will be felt not only in the church but also in the entire community.

NARROW ESCAPE WHEN CAR UPSETS

Mrs. Dave Seder and little son Sydney, and their chauffeur had a narrow escape from death Sunday afternoon when their Scripps-Booth machine turned turtle while going down a hill back of Lock Four. Mr. Seder was driving ahead in an Oldsmobile and when the machine containing his wife and son did not appear he turned back to investigate and found that the car had left the road and turned completely over.

The chauffeur was thrown clear of the car, but the son, only a babe, was caught underneath the auto, only his feet being visible. The car was lifted and the baby rescued. He was found to be only slightly bruised about the face. Mrs. Seder and the driver were also slightly injured and shaken up. Not much damage was done to the car.

RAISE $3,000 FOR CATHOLIC CHARITIES

The local committee in charge of the Catholic Charities Fund completed their work Monday evening with a total of cash and pledges of $3,000. There yet remain all of the local industries to be heard from, which may swell the fund to at least $4.000. The committees worked under somewhat adverse conditions, due to the pending steel strike as well as the contemplated coal strike, but all things considered the campaign was a success in every way The general committee therefore desire to express their thanks to all those who contributed or who aided in any way in making the campaign the success it was. In the district administered by the Diocese of Pittsburg over $800.000 was raised in cash and pledges, an amount 60 per cent at least greater than the central committee expected to raise.

INDIGESTION GOES!

IT CAN'T FIGHT BA-HA-NI

Indigestion, heartburn sick-headaches have no success when BA-HA-NI gets after them. A good regulating, tonic-laxative bound to rid you of the misery caused by all ailments arising from constipation. SPELLS SUCCESS AS PROVEN BY REMEDY

Swissvale Man Is Glad to Recommend the New Medicine, Ten-Herbs.

Many such statements as the following are being made by the best known Pennsylvania men and women who have been benefited by the use of Ten Herbs—the new herbal remedy—and voluntarily tell of their relief in the hope that others may be aided and restored to health.

Ten Herbs is now being taken by hundreds of local people, many of whom are testifying to the beneficial results they have derived from its use in the treatment of stomach, liver and kidney troubles.

One of the many signed testimonials received is that of Mr. H. J. Swanhart who resides at No. 7508 Ormand street, Swissvale, Pa., and is a well known carpenter and contractor, whose work is of the highest order. He stated:

"For the past seven years I have had trouble with my stomach; I was bloated with gas, had terrible indigestion and no appetite whatever; my food always distressed me; I had palpitation of the heart, was short of breath. I could not sleep at night and would get up in the morning as tired as if I had never been to bed; my liver was torpid and sluggish, and I was always constipated. I could never get any medicine to relieve this trouble until I started to take Ten Herbs; it has relieved my stomach trouble, I have no more gas in my system and am able to sleep fine at night. I feel a hundred per cent better. Ten Herbs is sold in Charleroi at Hennings' Drug Store.

ORDINANCE NO. 362

An Ordinance making it unlawful to hold, give and conduct public lectures, meetings, entertainments and parades in the Borough of Charleroi without a written permit from the Chief Burgess and providing penalties for violations hereof.

Be it ordained and enacted by the Burgess and Council of theBorough of Charleroi, Washington County, Pennsylvania, and it is hereby ordained and enacted by the authority of the same:

Section 1.

That from and after the passage of this ordinance itshall be unlawful for any person, firm or association to hold, give or conduct any public lecture, meeting, entertainment or parade in the Borough of Charleroi Washington County, Pennsylvania, without first having obtained therefor a written permit signed by the Chief Burgess of the Borough and attested by the Borough Clerk; provided that this ordinance shall not be construed to apply to purely religious or charitable lectures, meetings, entertainmeents or parades, nor to dances in regularly licensed dance halls

Section II.

Said license shall be issued free of cost and shall designate the place and time of holding said lecture, meeting, entertainment or parade. Itshall be issued by the Chief Burgess only when heshall be satisfied that the purpose is lawful and will not tend to create public disorder or the violation of any law or ordinance.

Section III.

Any person, firm or association who shall hold any such lecture, meeting, entertainment, or parade, or shall assist in the same, without first obtaining thelicense herein provided, shall, upon conviction thereof be liable to a fine not exceeding fifty ($50.00) Dollars, or to imprisonmeent not exceeding Thirty (30) days, the same to be recovered and prosecuted as fines and penalties are by law recovered and prosecuted.

Ordained and enacted into an ordinance this 23rd day of October 1919.

H. L. Swickey.
President of Council

Attest:
Ira L. Nickeson,
Secretary.

Examined and approveed by me this 27th day of October, 1919.

S. L. Woodward.
Chief Burgess.

Attest:
Ira L. Nickeson
Secretary.

ASSESSOR SUES AN ASSAILANT

Five thousand dollars damages for alleged personal injuries is claimed by Galen S. Yates of Monongahela, in a suit against John Matz, in a suit filed in the Washington county courts. A capias was issued and the defendant held under $1,000 bail.

The plaintiff is an assessor of the Second ward, Monongahela. On August 28, 1919, he went to the defendant's place of business on a mission connected with his duties as an assessor. He alleges the defendant interfered with him, telling him that he could not come there for that purpose. It is averred the defendant attacked him, knocking him down and otherwise injuring him. His glasses were broken and he was cut about the left side of the face and head. He avers the hearing of his left ear was totally destroyed.

REPORT BILL TO AMERICANIZE ALIENS

Legislation designed to Americanize aliens is contained in a bill reported in Congress on Monday by the Senate Labor Committee which investigated the steel strike. The bill was splaced on the calendar with a view to early consideration and providing for co-operation between the states and the Federal government in educating aliens.

Senator Kenyon of Iowa, chairman of the committee, emphasized education of illiterate aliens as a measure to cure radicalism. The Senate, he said will be "astounded" at facts gathered in the steel industry regarding alien illiteracy.

There are 8,000 000 illiterates over 10 years of age in the country, Senator Kenyon estimated, urging the committee bill as "fuel for the American melting pot."

CHILD KILLED BY AN AUTOMOBILE

In the death of Jakup Porok, aged five years, who was killed by an automobile driven by Norman Theakston at West Brownsville on Saturday afternoon last, Coroner Heffran will hold an inquest today.

The child was the son of Valentine Porok, who lives at the foot of the long hill in West Brownsville, over which the National Pike enters the town. He was playing in the yard of a family named Lyons, across the street from his home, and just after dinner one of the Lyons boys drove up in a truck and stopped in front of the house.

Witnesses say that the Porok boy ran out of the yard and started across the street, going in the rear of the truck. He stepped in front of the automobile driven by Norman Theakston, of Centerville, and was struck. He was hastened to the Brownsville hospital, but died on the way.

Ever Get Bilious? Try This

Take NR at once and get digestive and eliminative organs working in harmony and relief is immediate. Never causes griping.

NR Tonight—Tomorrow Feel Right

When your liver goes on strike and you feel a sick headache and bilious spell coming on, instead of prodding your liver with dangerous calomel and flushing your bowels with strong, irritating purgatives, get out your box of mild, gentle-acting NR Tablets and take one right off.

Relief will come just as quickly and with it genuine, lasting benefit. There will be no griping, gnawing pains or doubling stomach ache. Nature's Remedy (NR Tablets) work promptly and thoroughly, but the action is gentle, mild and soothing.

Relief comes through the action of Nature's Remedy on not only the liver, but on the whole digestive and eliminative system,—the stomach, the bowels and even on the kidneys. Stored up accumulations of waste and body poisons that have been clogging the system are completely cleared out, the over-worked stomach is strengthened and the interrupted work of digestion and assimilation is resumed. The inactive liver goes to work with new vigor, the bowels are unburdened, the headache leaves, that dull, "dopey," want-to-crawl-down-a-hole feeling disappears, energy, "pep" and appetite return and you feel yourself entirely, completely relieved.

There is no better proof of the great value of Nature's Remedy for biliousness and constipation than the fact that more than one million NR Tablets are used every day,—more than five million boxes sold every year.

If you've not already done so, get a 25c box of Nature's Remedy (NR Tablets) and take the first tablet tonight. If your constipation is stubborn or persistant, continue to take one each night for a week or so. Then note how you feel. Your bowels will be as regular as clock work, and you'll find yourself in better shape physically, mentally, every way than you've been in many a day. After that you need not take medicine every day. An occasional NR Tablet to keep your system in good condition will be sufficient, and you can always feel your best. Remember it is easier and cheaper to keep well than to get well. Just try it.

Nature's Remedy (NR Tablets) is sold, guaranteed and recommended by your druggist.

A man's best pal is his smoke

"Let's do the darn job together"
—Ches. Field

WHY is it that more and more smokers (millions now) are getting together with Chesterfields?

First of all, fine tobaccos. Our own buyers in the Orient send us the pick of the finest Turkish varieties (Xanthi, Cavalla, Smyrna and Samsoun). We blend these by a *secret method* with specially choice Domestic leaf.

This method brings out new qualities of flavor—a smoothness, a richness, a mellowness that go right to the spot. That's the reason Chesterfields *satisfy*.

And remember—"Satisfy" is Chesterfield's secret, based on our own private formula, which *cannot be copied*.

Every package has a moisture-proof wrapping—another reason for Chesterfield's unchanging quality of flavor.

Liggett & Myers Tobacco Co.

Coal Expensive? Here's a Way to Save It

You can save a full month's supply of coal right now.

And use less all winter.

No need to light the furnace on chill autumn days. A Perfection Oil Heater will keep any room warm and comfortable. Carry it with you from room to room.

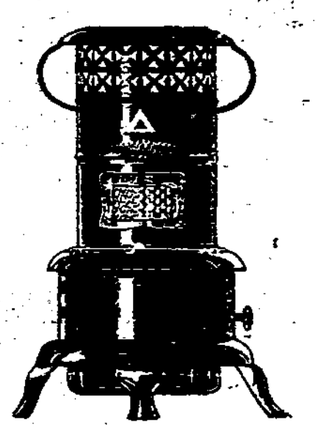
PERFECTION OIL HEATERS

Light it on cold mornings and turn it out during the day.

As the evening grows cool again it's ready with radiant heat at the scratch of a match.

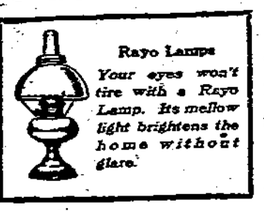
Smokeless, odorless and absolutely safe. You *can't* turn the wick too high.

Don't go another day without the comfort of a Perfection Oil Heater.



TEN hours of comforting heat with a Perfection Oil Heater and one gallon of Atlantic Rayolight Oil. Best for Rayo Lamps too. Costs no more than ordinary kerosene.

ATLANTIC Rayolight OIL



Rayo Lamps
Your eyes won't tire with a Rayo Lamp. Its mellow light brightens the home without glare.

It combines efficiency, convenience and economy in a way unequalled by any other heating device.

Your dealer has a model for every home.
